

The Scott Pavilion on Raymond

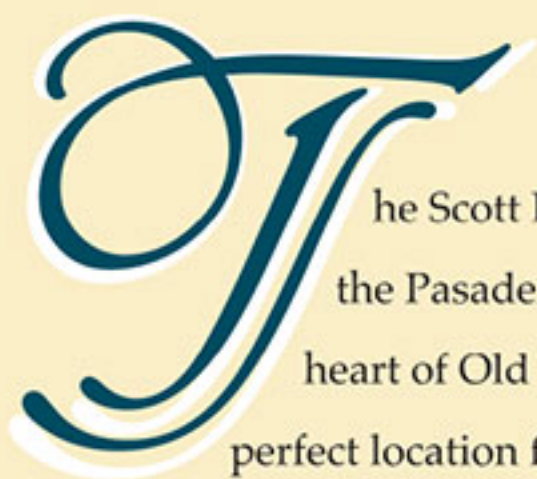

Whether it's the wedding of your dreams, a Quinceañera or other birthday celebration, or a large business dinner, the Scott Pavilion has everything you need to hold the perfect event.

Our event space can accommodate up to 250 guests, and includes a separate outdoor patio and pre-event reception area. Your rental also includes use of our on-site, fully-stocked commercial kitchen. Whatever your unique event requires, the Scott Pavilion can meet the need!

You will save even more with the flexibility we offer when it comes to catering and third-party rental options. Many event spaces require use of certain approved partners, but the Scott Pavilion is pleased to work with the licensed, insured vendors of your choice.

The Scott Pavilion, co-located with the Pasadena Senior Center in the heart of Old Town Pasadena, is the perfect location for your next special event.

The Scott Pavilion is a wholly-owned and operated business entity of the Pasadena Senior Center, which is a non-residential facility that provides services to our friends and neighbors in the Pasadena community age 50+.

As a not-for-profit organization, the Scott Pavilion can offer rates at or below that of other event spaces in the area. Plus, you have the added benefit of knowing that when you host your event at the Scott Pavilion, you are also supporting the mission of the Pasadena Senior Center.
