California State Senior Olympics

June 2 - 23, 2007

It was a very good year - Hubba Hubba!

Congratulations on your participation in the 2007 California State Senior Olympics and on the level of athletic excellence you brought to our community this Spring! 1,500 senior athletes converged on the San Gabriel Valley from all parts of the country and competed in 27 different sporting events over the course of 3 weeks. We added 2 new sports this year - Cycling Road Races and Push Ups, both of which were very well received. And, we restructured our Men's Softball competition. We also welcomed 4 new Commissioners: Eunie Aikman (Golf), Greg Hilbers (Push Ups), Bill Kress (Tennis) and Roy Yamane (Billiards).

You accepted the challenge to participate in a competition of endurance, strength, agility, perseverance, speed, skill, and good sportsmanship. Whether you consider yourself a "senior" at 50, 60 or even 90, you have spent much of your life demonstrating the importance of physical and mental fitness by regular training and proper nutrition. You have raised the bar to all seniors in motivating them in their quest for a healthy lifestyle. Physical activity truly is the key to healthy aging.

On a personal level, all of us in Pasadena want to thank each of you for your support of the 2207 State Senior Olympics. We do not know of another "healthy lifestyle" program that makes such an impact on people's lives. Individually, you have endeavored to achieve your personal best. Collectively, you have striven to help your fellow athletes achieve the un-achievable. And, you have accomplished both. We salute you! You represent the best that California has to offer.

We also want to thank you for being our friends and our "extended" family for 3 weeks. We hope that Senior Olympics has made an impact on your lives. We know that it has on ours. We are indebted for the passion that you have instilled in all of us.
