California State Senior Olympics

June 6 - 28, 2009

It was a very good year - Hubba Hubba!

Congratulations on your participation in the 2009 California State Senior Olympics and on the level of athletic excellence you demonstrated to our community this Spring! Over 1,300 senior athletes converged on the San Gabriel Valley and competed in 25 different sporting events over the course of 3 weeks.

You accepted the challenge to participate in a competition of endurance, strength, agility, perseverance, speed, skill, and good sportsmanship. Whether you consider yourself a "senior" at 50, 60 or even 90, you have spent much of your life demonstrating the importance of physical and mental fitness by regular training and proper nutrition. You have raised the bar to all seniors in motivating them in their quest for a healthy lifestyle. Physical activity truly is the key to healthy aging.

Even in a non-qualifying year, you are to be congratulated for joining in this ever-growing movement that champions the mission of the California Senior Games Association - to provide opportunities so that adult athletes can achieve greater value and quality in their lives by staying healthy, active and fit. Once more, we salute you! You represent the best that California has to offer.

We also want to thank you for being our friends and our "extended" family for 3 weeks. We hope that Senior Olympics has made an impact on your lives. We know that it has on ours. We are indebted for the passion that you have instilled in all of us.

So, celebrate your achievements and we will see you in 2010!
