## LETTER TO ATHLETES

**C**ongratulations on your participation in the 2014 California Senior Games Championships and on the level of athletic excellence you demonstrated to our community this Spring! Over 2,100 senior athletes from all parts of the country visited Pasadena (and surrounding areas) and competed in 27 separate sporting events. The goals: to have fun, demonstrate a healthy lifestyle and qualify for the 2015 National Senior Games in Minnesota.

Congratulations to all of the athletes who qualified to compete in the 2015 National Games. Qualifiers' names are followed by a "(Q)" in this publication and the qualifying information has been submitted to the NSGA. For more information, please visit [www.nsga.com](http://www.nsga.com) or contact [seniorgames@2015goldengamesmn.org](mailto:seniorgames@2015goldengamesmn.org).

We were amazed at the growth in team sports: Men's Basketball: 19, Women's Basketball: 23, Women's Softball: 17 and Women's Volleyball: 17. Individual sports also experienced significant growth: Cycling: 96, Shuffleboard: 32, Swimming: 102 and Track & Field: 290. A record 157 Table Tennis matches were played in just 8 hours!

The strength and success of the California Senior Games is due in large part to the experience and expertise of our Sports Commissioners. We were saddened by the loss of Power Lifting Champion, Harry Sneider, and thank his wife, Sarah, for conducting the meet in his memory. New to our "family" was Ed Nielsen who is to be credited with bringing Badminton back to our sports menu. And, this summer we bid farewell to Susie and Oscar Sanchez, longtime Archery Commissioners, and wish them well in their new adventures together in Florida.

As a senior athlete, you accepted the challenge to participate in a competition of endurance, strength, agility, perseverance, speed, skill and good sportsmanship. Whether you consider yourself a "senior" at 50, 60 or even 90, you have spent much of your life demonstrating the importance of physical and mental fitness and have raised the bar for all seniors in motivating them in their quest for a healthy lifestyle.

On a personal note, I want to thank each of you for your support of the 2014 State Championships and for proving that leading a healthy and active lifestyle is the key to longevity. I do not know of another "healthy lifestyle" program that makes such an impact on people's lives. Individually, you have endeavored to achieve your personal best. Collectively, you have striven to help your fellow athletes achieve the achievable. I salute you all—you represent the best of California!

So, celebrate your accomplishments—and HUBBA HUBBA!

Cynthia Rosedale  
Pasadena Senior Games Coordinator
