## LETTER TO ATHLETES

**C**ongratulations on your participation in the 2016 California Senior Games Championships! We had over 2,100 senior athletes come to Pasadena and the surrounding areas to compete in 27 different athletic games. The goal of the Games is to have a good time, demonstrate a healthy lifestyle, and to qualify for the 2017 National Senior Games in Alabama.

This year, Women's Basketball ruled the courts with over 20 teams showing up to compete. Swimming showed once again age does not matter, with Maurine Kornfield in the 95-99 year-old age group swimming faster than

any other in her age division for 400 M Freestyle. Way to go Maurine! Willie Banks made history with his incredible 12.51 triple jump, an American record for the 60-64 age groups. The world record is 12.68 by Finland's Stig Backlund set in June 2000. Great job, Willie!

I would like to thank each of you for your kind friendship during the games. I learned a lot from each person along the way. Every story was unique, as was each individual. I also thank every commissioner who helped with us with a challenging season. I am profoundly grateful for your support and patience. The Games could not have taken place without you.

As with any event, the Pasadena Senior Games would not be possible without the financial support of our wonderful sponsors. We are extremely grateful to Right at Home, Torrey Pines Bank, AGA, Capital Group, and Front Porch for their monetary backing. We are also thankful for our numerous in-kind sponsors, all of whom are acknowledged in the results book.

Finally, I dedicate this to our very dear friend, Cynthia Rosedale. She was, and will always be, the heart and soul of our Pasadena Senior Games. Having taken the torch and run with it for 28 years, she has left a legacy that will live on in every athlete, past and present.

Sincerely,

Nancy Adams

Manager of Special Events
